In post-Civil War New York City, sixteen-year-old Aislynn Denehy cannot find a job, she has no place to live and no family to help her. Some might think this is a problem; Aislynn believes it is an opportunity, but she has a lot to learn. No formulaic romance, this well-researched love story depicts life as it truly was for the thousands of women who went west reaching for a new life. Aislynn's journey begins in a New York City tenement and leads her across the frontier to a Utah mining camp where she must cope with the three very different men in her life: smart, solicitous Tim, good-natured, good-guy Johnny and the intense but intriguing Liam Moran. Life in the roughshod camp brings small joys and devastating losses. The novel races through authentic experiences involving historical events until it erupts in an unexpected ending. In today's troubled world, Far Away Home will make you believe no matter how many challenges fate sends your way, the human spirit can triumph.
