Law School Exams: Preparing and Writing to Win, Second Edition Charles R. Calleros

Recognizing that law students operate under severe time constraints, Professor Calleros employs a reassuring, accessible style that makes points quickly and clearly. Starting with creative examples and illustrations from familiar, nonlegal contexts, the author introduces students to new concepts by analogy and then advances to more complex legal examples. Exercises and practice exams, with a focus on essay questions and model answers, help students identify their strengths and weaknesses, plan strategies, and organize their efforts. Law School Exams: Preparing and Writing to Win offers techniques for maximizing scores on several types of essay questions, as well as on multiple-choice and other questions. Exam anxiety is tackled by a helpful, positive perspective: the right amount of stress can serve as a motivator. Students get help in reducing anxiety to a productive level by learning how to place exams into proper perspective. Stress-management techniques are introduced, including, stretching, meditation, and listening to motivational music.
