More Ghost Towns of Texas

T. Lindsay Baker

More Ghost Towns of Texas T. Lindsay Baker

There is something romantic yet harshly concrete about an abandoned town. Dreams, conflicts, and losses still haunt what remains, so it's no wonder we call these locales "ghost towns." A companion volume to his *Ghost Towns of Texas*, T. Lindsay Baker's *More Ghost Towns of Texas* provides readers with histories, maps, and detailed directions to the most interesting ghost towns in Texas not already covered in the first volume.

The ninety-four towns described in this book range from American Indian sites abandoned prior to the arrival of Europeans to towns abandoned within the past decade. Baker's own recent photographs of the towns are complemented by historic photographs of more prosperous times. Many of these locations have never before appeared in any ghost town guide.

Based on hundreds of miles of travel and fieldwork in abandoned towns all across Texas, *More Ghost Towns of Texas* lists sites throughout the state so that people from anywhere in the state can reach a ghost town in a day's trip.
