There are many books available at your favorite bookstore and websites like Amazon on how to learn a foreign language. They typically provide practical advice including lots of useful tips that will definitely help the language learner. When I decided to write this book, How To Learn Spanish, French, English, German, Japanese, Portuguese-Any Language In 30 Days, I didn't want to add another book rehashing the same information that was already available.

This book takes a different approach to learning. It deals with human motivation and creating the right mindset that will drive you rapidly to your language learning goal. It is presented in simple language that most anyone can easily understand and apply. It was written for the first time foreign language learner looking forward to a fulfilling experience and also for those who have already engaged in learning but have lost their motivation and are ready to give up.

In addition, you will be presented with a practical, easy to follow process on creating a personal action plan that will have you speaking and interacting in your target language in a short period of time. So don't start your new journey without the right preparation which is being presented to you here. And if you have already taken the plunge but have lost your motivation and direction, know now you can get it back.

Don't be among the high percentage of people who attempt to learn a foreign language but end up quitting early in their journey. The information contained in this book will make sure that does not happen. It is a fast and easy read, uncomplicated, with all the fluff left out. Put learning a foreign language on your "To Do" list and let's get started.

Lire le livre ou écouter l'audio. Vous pouvez parler anglais rapidement et profiter d'avoir des conversations avec des locuteurs natifsLea el libro o escuchar el audio

Usted puede hablar Inglés con rapidez y disfrutar de tener conversaciones con nativos
