In Cold Sweat: Interviews with Really Scary Musicians

Thomas Wictor, Gene Simmons

In Cold Sweat: Interviews with Really Scary Musicians Thomas Wictor, Gene Simmons (Limelight). From the chaotic world of music journalism comes this collection of unabridged, unexpurgated interviews with four of the brightest, most influential and complex pop and rock musicians alive: Gene Simmons of Kiss, Peter Hook of New Order, Jerry Casale of Devo, and Scott Thunes of Frank Zappa fame. They are all bass players and they are all plainspoken, profane, stressed out, caustic, antagonistic and on occasion so belligerent they are prepared to engage in psychological warfare with their interviewer. Each interview is illustrated with striking, often candid photographs, and includes an introduction and a postscript. "...the ultimate reason I liked this book was because of the very interesting circumstances of the interviews themselves. These people are almost impossible to get a hold of, let alone interview."
