In this second book in a series that *Kirkus Reviews* calls a “fast-paced combination of middle school realism and fairy-tale fantasy,” it’s up to Rory to save the Ever After School—and deal with her father’s fiancée.

After taking part in a successful real-life fairy tale, Rory Landon is now an Ever After School veteran. She has better friends than she’s ever had, and she’s stronger, more confident, and ready to take on whatever comes next.

Or so she thought. When a nefarious plan from The Snow Queen threatens the entire Ever After School program, it is up to Rory and Chase to save everyone. Between this new adventure and what is happening at home—where a potential stepmom has entered the picture—Rory wonders if she really has what it takes to come to the rescue.
