The Bilingual Special Education Interface BACA

This text is appropriate for courses that deal with Bilingual, Special, Bilingual Special, and Multicultural Special Education. This resource is designed to familiarize educators with the major needs of the exceptional child with limited skills in English. Organized to emphasize the link between bilingual and special education, this unique updated edition addresses the need for school districts to adjust instructional programs and service delivery models to accommodate the tremendous increase in the number of Asian, Hispanic, and Native American students. By making such adjustments, school districts can better serve other linguistically and culturally different individuals.
