The Knife

Ross Ritchell

The Knife Ross Ritchell

A powerful, dark, and morally provocative debut novel about a U.S. Special Forces unit operating in the Middle East, written by a former soldier—*No Easy Day* meets *Redeployment*...

It's hot and getting hotter this summer in Afghanipakiraqistan—the preferred name for the ambiguous stretch of the world where the U.S. Special Forces operate with little outside attention. Team Leader Dutch Shaw is missing his late grandmother. She was the last link he had to civilian life, to any kind of world of innocence.

But there's no time to mourn. After two helicopters in a sister squadron are shot down, Shaw and his team know that they're going to be spun up and sent back in, deep into insurgent territory, where a mysterious new organization called Al Ayeelaa has been attracting high-value targets from across the region. As Shaw and his men fight their way closer to the source, mission by mission, they begin to realize that their way may have been prepared for them in advance, and not by a welcoming host.

The Knife is a debut novel of intense authenticity by a former soldier in a United States Special Operations Command direct-action team. As scenes of horseshoes and horseplay cut to dim Ambien-soaked trips in helicopters and beyond, Ritchell's story takes us deep beneath the testosterone-laced patter into the lonelier, more ambivalent world of military life in the Middle East. The result is a fast-paced journey into darkness; a quintessential novel of the American wars of the twenty-first century.

From the Hardcover edition.

From reader reviews:

Louise Villanueva:

As people who live in the actual modest era should be revise about what going on or information even knowledge to make these people keep up with the era and that is always change and make progress. Some of you maybe will update themselves by examining books. It is a good choice in your case but the problems coming to you is you don't know what one you should start with. This The Knife is our recommendation to help you keep up with the world. Why, because this book serves what you want and need in this era.

Samuel Puckett:

Hey guys, do you wishes to finds a new book to learn? May be the book with the title The Knife suitable to you? Often the book was written by popular writer in this era. The particular book untitled The Knife is the main of several books this everyone read now. This book was inspired many men and women in the world. When you read this publication you will enter the new way of measuring that you ever know previous to. The author explained their idea in the simple way, and so all of people can easily to know the core of this publication. This book will give you a large amount of information about this world now. To help you to see the represented of the world within this book.

Sharon Edwards:

This The Knife is great reserve for you because the content that is certainly full of information for you who all always deal with world and still have to make decision every minute. That book reveal it details accurately using great organize word or we can say no rambling sentences in it. So if you are read this hurriedly you can have whole info in it. Doesn't mean it only will give you straight forward sentences but tricky core information with splendid delivering sentences. Having The Knife in your hand like obtaining the world in your arm, data in it is not ridiculous one. We can say that no book that offer you world within ten or fifteen tiny right but this guide already do that. So , it is good reading book. Hello Mr. and Mrs. stressful do you still doubt that?

Victor Elias:

In this period of time globalization it is important to someone to obtain information. The information will make someone to understand the condition of the world. The healthiness of the world makes the information better to share. You can find a lot of references to get information example: internet, newspaper, book, and soon. You can view that now, a lot of publisher that will print many kinds of book. The book that recommended to you personally is The Knife this reserve consist a lot of the information of the condition of this world now. This specific book was represented how do the world has grown up. The dialect styles that writer make usage of to explain it is easy to understand. The actual writer made some analysis when he makes this book. That's why this book acceptable all of you.
