Captain in Calico George Macdonald Fraser

George MacDonald Fraser was famed for his legendary Flashman series, featuring the incorrigible knave Harry Flashman. In the colorful standalone novel *Captain in Calico*, which has never been published, Fraser introduces another real-life anti-hero: Captain John Rackham, called “Calico Jack,” an illustrious eighteenth-century pirate who marauded the Caribbean seas.

On a tranquil evening in the Bahamas, Calico Jack, long wanted on counts of piracy, makes a surprise appearance at the Governor’s residence and asks for a pardon. A deal is brokered after Jack reveals the motive for turning himself in: love. When he last set sail from the Bahamas two years ago, Jack left behind a beautiful fiancée, and he hopes to win her back. But while Jack was off pirating, his beloved has become betrothed to a new man—the governor himself. It doesn’t take long for this truth to come to light, and after embarking on a new romance with famous Irish pirate Anne Bonney, Jack is quickly transformed back into a thieving captain in calico.

With his trademark picaresque style, Fraser draws readers into the wild west of the British empire, where black sails prowl the waters and redemption can be found in the most unexpected places.

From reader reviews:

Gabrielle Oneal:

Information is provisions for people to get better life, information currently can get by anyone from everywhere. The information can be a understanding or any news even restricted. What people must be consider any time those information which is inside former life are hard to be find than now could be taking seriously which one is suitable to believe or which one the particular resource are convinced. If you have the unstable resource then you have it as your main information it will have huge disadvantage for you. All those possibilities will not happen with you if you take Captain in Calico as the daily resource information.

James Anderson:

Reading a book tends to be new life style in this era globalization. With reading you can get a lot of information that can give you benefit in your life. Together with book everyone in this world can certainly share their idea. Publications can also inspire a lot of people. Plenty of author can inspire all their reader with their story as well as their experience. Not only the storyline that share in the guides. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors on this planet always try to improve their expertise in writing, they also doing some study before they write on their book. One of them is this Captain in Calico.

Tia Sargent:

Is it a person who having spare time after that spend it whole day simply by watching television programs or just lying down on the bed? Do you need something totally new? This Captain in Calico can be the solution, oh how comes? A book you know. You are therefore out of date, spending your extra time by reading in this new era is common not a geek activity. So what these guides have than the others?

Scott Schiller:

As a pupil exactly feel bored to be able to reading. If their teacher inquired them to go to the library or to make summary for some reserve, they are complained. Just minor students that has reading's internal or real their leisure activity. They just do what the educator want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that studying is not important, boring along with can't see colorful images on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Captain in Calico can make you experience more interested to read.
