Charlie Russell Roundup: Essays on America's Favorite Cowboy Artist

Illustrated with black-and-white and color illustrations, including a never before reproduced Russell painting, *Charlie Russell Roundup* contains many of the best stories and critical thinking on Russell, an artist who portrayed the Old West in all its vibrancy. Early press accounts of the cowboy artist, reminiscences by his friends and fellow artists, interpretive and biographical studies, and a few words from Russell himself are all included in this engaging anthology. Fresh insights into the man and his art, and his enduring legend are enhanced by historic photographs and a large sampling of Russell's work.

Brian W. Dippie is Professor of History at University of British Columbia, Victoria, editor of *Charles M. Russell*, *Word Painter*, and author of *Looking at Russell* and *West-Fever* as well as many other books.
