Silvia Peppoloni, G. Di Capua

Geoethics: The Role and Responsibility of Geoscientists (Geological Society Special Publications) Silvia Peppoloni, G. Di Capua

Authors with different skills and from different countries present their views on geoethics, through the analysis of the ethical and social implications of studying and managing land, resources and natural hazards. They suggest models, methods and ideas to influence decision makers, to transfer scientific information to society and to encourage appropriate behaviour towards the geosphere.
