Pay for Profit! William B. Abernathy

Designing an Organization-wide Performance-based Compensation System

Dr. William B. Abernathy's years of experience guide the reader through both the development and long-term management of an effective performance system. The reader will learn how to measure all types of performance; how to organize them into balanced scorecards; and how to link incentives to performance improvement through profit-indexed performance pay. The reader will also learn how to manage and sustain a performance system including techniques for validating measures and incentive payouts, as well as performance analysis and improvement strategies.

"Deploying business strategy through your employees is the only way to beat the competition. If you are interested in achieving sustainable business results, then the pragmatic approach described and documented in this book is a must read. Apply this knowledge and win!" –Robert W. Culbertson, Chevron Products Company

From reader reviews:

Gregory Morrow:

Your reading sixth sense will not betray anyone, why because this Pay for Profit! e-book written by well-known writer whose to say well how to make book that may be understand by anyone who all read the book. Written in good manner for you, leaking every ideas and writing skill only for eliminate your hunger then you still doubt Pay for Profit! as good book not just by the cover but also by content. This is one reserve that can break don't assess book by its handle, so do you still needing a different sixth sense to pick this!? Oh come on your studying sixth sense already said so why you have to listening to one more sixth sense.

Richard Burnett:

Many people spending their period by playing outside having friends, fun activity together with family or just watching TV the whole day. You can have new activity to enjoy your whole day by reading through a book. Ugh, do you consider reading a book can definitely hard because you have to accept the book everywhere? It ok you can have the e-book, bringing everywhere you want in your Smart phone. Like Pay for Profit! which is obtaining the e-book version. So , try out this book? Let's view.

William Moreau:

That guide can make you to feel relax. This book Pay for Profit! was bright colored and of course has pictures on there. As we know that book Pay for Profit! has many kinds or category. Start from kids until adolescents. For example Naruto or Private eye Conan you can read and believe that you are the character on there. Therefore , not at all of book are make you bored, any it can make you feel happy, fun and unwind. Try to choose the best book in your case and try to like reading which.

Yolanda Powers:

As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library or to make summary for some publication, they are complained. Just little students that has reading's heart and soul or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that reading is not important, boring in addition to can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Pay for Profit! can make you sense more interested to read.
