All couples walk to the altar dreaming of happily-ever-after, but many forces in our society work against healthy lifelong commitment. Renowned family therapist William J. Doherty reveals how cracks can develop in even a rock-solid marriage, and what steps you can take to keep your love strong. Learn ways to break free of common traps like confusing desires with needs, comparing your spouse to your fantasies of other relationships, or becoming overtime parents instead of full-time partners. You'll get suggestions for creating relationship rituals--from mundane to celebratory, sexy to silly--that build closeness and connection every day. The updated second edition incorporates Dr. Doherty's ongoing experience counseling couples, plus the latest information on marriage and health, how divorce affects kids, the impact of new technologies on family life, and more.
