If you're ready to start teaching in Georgia, REA has the GACE test prep you need!

REA's GACE High School Mathematics Assessment (022, 023) Test Prep with TestWare® CD Puts Georgia Teachers in a Class of Their Own!

New! First Edition!

REA's newest addition to our GACE (Georgia Assessments for the Certification of Educators) test prep library helps you get one step closer to teaching in a Georgia classroom. This test prep is perfect for teacher candidates, students, out-of-state teachers, and career-changing professionals who are seeking a Georgia teaching license.

Completely aligned with the most recent GACE High School Mathematics (022, 023) exams, our test prep targets exactly what you need to know so you can study with confidence and succeed on test day.

Written specifically for Georgia teacher candidates, our comprehensive chapters review all the topics tested on the exams, including: number concepts and operations; algebra; pre-calculus and calculus; geometry and measurement; data analysis and probability; and mathematical processes and perspectives.

The book features two full-length practice tests for both the 022 and 023 subtests – for a total of four practice exams! Our practice exams help you test your skills and focus on areas in need of improvement. Detailed explanations of answers for each question allow you to identify your strengths and weaknesses while testing your teaching knowledge.

The enhanced TestWare CD includes two practice exams in a timed format with automatic scoring, on-screen detailed answer explanations, and diagnostic feedback. **Our timed exam format gives you the closest experience to taking the actual GACE exam.** This complete test prep package includes a customized study schedule and REA's test-taking strategies and tips.

This book is a must for anyone seeking certification as teacher in Georgia!

REA books and software have proven to be the extra support teacher candidates need to pass their challenging test for state licensure. Our comprehensive test preps are teacher-recommended and written by experts in the field.
