The Three Classics: The Sacred Romance, Journey of Desire and Wild at Heart John Eldredge

John Eldredge and Brent Curtis wrote *The Sacred Romance* in 1997 and the book immediately began to change hearts and lives. During the past three years this powerful little book has passed from hand to hand, person to person, as it made its way across the country and finally onto the best-seller lists in 2000. Brent Curtis was killed in a climbing accident in 1998, but John Eldredge continued the ministry they had begun and wrote *The Journey of Desire*, which invited readers to acknowledge the significance of desire, to abandon resignation, and to embark on an adventure he calls "our heart's more important journey." In 2001, Eldredge released *Wild at Heart*, designed to help men rediscover their masculine heart and to help both Christian men and women better understand God's true definition of Christian manhood - even if that means being dangerous.

Each of these books breathes fresh life into our hearts. They challenge and engage us, encourage and refresh us as we rediscover the lives God intended and the passion and freedom that come only from Him.

Whether this special set is for yourself, to replace the dog-eared and penciled-in copies you already own, or is a gift to share John's powerful message with someone you love, these *Three Classics* from John Eldredge will continue to give long after they are received.
