The work of the Holy Spirit

Abraham Kuyper

The work of the Holy Spirit Abraham Kuyper

still stands undiminished as a comprehensive Protestant statement about a central but much-misunderstood part of the Christian faith. / "I have made an effort," Dr. Kuyper writes in his preface, "to represent the work of the Holy Spirit in its organic relations, so that the reader may survey the entire domain. And in surveying, who is not surprised at the ever-widening dimensions of the work of the Holy Spirit in all the things that pertain to God and man?" / The 123 brief sections that make up this work first appeared in the *Heraut*, a Dutch religious weekly of which Dr. Kuyper served as editor. So it is that this profound exposition is lucidly written in the language of the ordinary people for whose spiritual growth he was deeply concerned. / "Brings together the material belonging to this great topic with a systematizing genius that is very rare, and presents it with a penetrating appreciation of its meaning."-from the introduction by B. B. Warfield / Few men of his era accomplished as much in as many diverse areas of human life as Abraham Kuyper. When he died at 82 in 1920, he was one of the Netherlands' most famous citizens. As pastor, educator, author, editor, and politician, he was tireless in his efforts to apply the Christian faith to every department of life, and thus earned the esteem of his countrymen and the respect of many beyond the borders of Holland. He was the founder of the Free (Reformed) University of Amsterdam in 1880, and served from 1901 to 1905 as Prime Minister of the Netherlands.
