From Book 1: Cairo, Egypt, 1953 - A secret sect calling itself the Brotherhood of the Caliphate splinters off from the Muslim Brotherhood as the storm clouds of revolution gather.

Louisville, KY, 1973 - Political power broker and multi-millionaire Aman Kazim's Derby contending thoroughbred is slaughtered just hours before the race.

Las Vegas, Nevada, 2004 - An unusual joint FBI/CIA operation goes horribly wrong as CIA agent Anna Starks vanishes in the glittering lights of sin city while attempting to track down a potential threat to the country.

Washington DC, 2005 - Zachariah Hardin, a politician with a mysterious past has reached the zenith of his power as the first foreign-born president.

From the back alleys of ancient Cairo, to the glitzy nightlife of Vegas, to the corridors of power in DC, Agent of Influence is the thriller ahead of the news cycle. Find out why reviewers are saying:

"A taut political thriller that moves with speed and agility." Kirkus Indie Reviews.

"This is one roller coaster ride readers won't want to get off." Foreword Clarion Reviews.

"tightly plotted...If you are into Muslim conspiracy theories this is a particularly timely book...There is a scene from the 1973 Secretariat win at the Derby that is worth the price of admission." Bookreview.com

"I enjoyed this book as much as any Tom Clancy/Vince Flynn/Dan Brown/Ian Fleming novel." Amazon review.

Agent of Influence also made it to the second round of judging and was one of 2000 novels/manuscripts considered for the 2011 Amazon Breakthrough Novel Award.

In 2003 the California recall election sparked an idea that turned Agent of Influence from a 50 page dead end to a full length thriller. Before there was a debate over a birth certificate there was Agent of Influence, the first novel from Russell Hamilton. A native of Louisville, KY, the book is an outgrowth of his travels, voracious reading habits, and fascination with history and foreign affairs.
