Jesus Christ has quite a unique power for making theology an attractive, exciting and fascinating quest. Jesus seeks to help us see religion with fresh eyes.

Jesus Christ's opinion on the biggest Christianity topics: God, Holy Spirit, Satan, Jesus, Eternal Life, Divine Promises, The Gospel, New Birth, Christian Life, Heaven.

When organized by relevant topics, the words of Jesus, Son of God, gain a new light, which is actually needed and relevant for our current world situation; God spoke through Jesus, and Jesus' words continually speak to people today; at once he remains the personal and the universal God.

Jesus is the God-man, God wrapped up in flesh, begotten of the Father, and born of the Holy Spirit's conception in the Virgin Mary. He remains a polarizing figure and his words have shown to live up to their promise of blinding those who see, and allowing the blind to see. As you make your way through this book, pray to the Holy Spirit that you might see the words of Christ manifested not just in the text of the book, but in your studies, your notes, in your life, and in your heart. Jesus' words, though spoken many centuries ago, still apply to today's world as we find trouble around every corner and behind every cloud; but his promises still apply: "Fear not; for I have overcome the world."

The words of Jesus are divine poetry and easy to understand, without the need of any radical position from religious academics, scholars or even philosophers. In this book, Jesus' words have been analyzed and arranged according to the plain meanings of their retrospective parts, done without any attempt or even any willingness to cause that analysis or arrangement to represent any specific theological opinion of anybody who lived since Jesus died. It was a point of conscience with the compiler to ensure there is no philosophical, scientific, or theological bias in the matter presented in these books.
