This book is a guide to understanding the often misunderstood passages of the Bible. Have you ever been reading your Bible and come across passages that don't line up with the standard doctrines of the Christian faith? I have. I began a journey to search out the truths of the Bible by attempting to read it without any preconceived ideas. Some of my findings may shock you while others may confirm what you have already known. There are many uplifting passages in scripture as well as many that bring about the fear of the Lord. I believe that many in the body of Christ have gotten out of balance towards the uplifting passages. While the Bible does contain many uplifting passages we need to re learn how to "balance" out the scriptures again. It is my prayer that this book will do that. My heart is to see the followers of Christ fully surrender their lives to Him in a deeper way and also to develop a deeper fear of the Lord.
