Score (St. Martin Family Saga) (Volume 1) Gina Watson

He was handsome, sexy, confident, and a complete bastard. So what was she doing in his bed? Hadn't he proved to her again and again that all he was good for was bringing her pain. To be fair, last night she'd felt no pain, only pleasure. Caleb sensed the warm naked body in bed next to him. He knew it was Chloe but what he couldn't figure out was why. He'd grown up next door to her, had teased her relentlessly. And she'd hated him for it. Memories from last night of the curves she'd grown into had his mouth going dry. He'd had no words with which to tease, all he could do was moan. Had Chloe actually had sex with a man she'd hated for a decade? A full percussion section was banging in Chloe's head as the memories came to her in pieces . . . martinis, dancing, his hands, his hardness. God, he'd been solid male muscle. This can't be happening. Hadn't she made a commitment to herself to settle the score with Caleb if given the chance? Instead, she was right back where she was all those years ago, panting after him in all of his unobtainable glory. --- One night was all it took for Caleb to fall completely head over heels in love with little Chloe Mills from next door. Had he loved her all this time? He thought maybe he had. There was just one tiny problem . . . Chloe hated his guts. --- Start reading today to find out if their obvious sexual attraction will be enough to cut through years of hate.
