PATRIOT GAMES: When Ryan foils an Ulster Liberation Army terrorist attack on the Prince of Wales and his family, his courageous actions not only win him the admiration of an entire nation, they also arouse the enmity and hatred of that nation's most dangerous men. Now a ULA target himself, Jack Ryan plunges into the murky world of counter-intelligence, where he uncovers a connection between the ULA and an international underground network that places him at the forefront of the deadly battle against international terrorism, and pitches him into the most desperate struggle of his life! CLEAR AND PRESENT DANGER: The sudden and surprising assassination of three American officials in Colombia. Many people in many places, moving off on missions they all mistakenly thought they understood. The future was too fearful for contemplation, and beyond the expected finish lines were things that, once decided, were better left unseen. Tom Clancy's thriller is based on America's war on drugs . . . and the covert - and shocking - U. S. response. "The issues raised are real ones, and a jump ahead of the headlines." The New York Times "Rousing adventure...A crackling good yarn." The Washington Post
