With the unexpected death of her mother due to a terrible car crash, Seven's once semi perfect world in New York with her family was shattered to pieces. Their lives in New York came to an end when they moved to Louisville to live with their Daddy, step mother, and sister. Seven tried to piece her life back together the best way she could by leaning on her family and best friend Riley.

Dealing with a broken heart is never easy and accepting the loss of her mother was a hard pill for Seven to swallow. Since moving to Louisville, she turned angry and coldhearted. She blamed all the problems she had on her brother's best friend Shy'Donis. She felt he was the cause of her brother being incarcerated and hated the sight of him. But while Seven openly hated Shy, he secretly loved her. He knew with the hate she held for him, he could never have her.

Life for Riley has always been difficult. Having a mother who put everything before her kids, Riley had no choice but to raise herself and grow up quick. Graduating from high school, Riley was ready to live her life worry free, partying, and hang with her girls, but a day after her graduation she was quickly pushed into the real world.

Falling in love was never Riley's intentions and who she fell in love with was even more of a shocker. Being no stranger to difficulties, Riley solved most of her problems by telling lies and keeping secrets from the ones she loved.

They were two different chicks, with two different life stories, but with all life's crazy obstacles Riley and Seven lean on each other for support.
