Criminal Justice: A Very Short Introduction (Very Short Introductions)

Julian V. Roberts

Criminal Justice: A Very Short Introduction (Very Short Introductions) Julian V. Roberts

The criminal justice system is wide ranging; from the crimes themselves and policing to the sentencing of offenders and prisons. In this *Very Short Introduction* Julian V. Roberts draws upon the latest research and current practices from a number of different countries around the world. Focusing on the adversarial model of justice found in common law countries such as the United States, United Kingdom, Canada, and Australia, he discusses topics such as the uses of imprisonment, the effects of capital punishment, and the purposes of sentencing. Considering the role of the victim throughout the criminal justice system, as well as public knowledge and attitudes towards criminal justice, Roberts critically assesses the way in which the system functions and its importance around the world.

ABOUT THE SERIES:

The *Very Short Introductions* series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.
