Liz Harper is driven to succeed in business. So when they're shorthanded, she takes a maid assignment to keep the client. Too bad that client is her ex-husband, Cain Nestor! He's as reclusive and distant as ever, but she'll be professional. Managing the strong attraction still between them, though, could be beyond her skills.

Maid for the Single Dad

This is outside Ellie Swanson's job description! It's one thing for her to provide maid services for Mac Carmichael. It's another thing entirely to be his live-in nanny, too—especially when Mac seems to be hovering. Is he hanging around because he doesn't trust her? Or could there be another reason for his attentiveness?
