Bible and Future Events, The Leon J. Wood

This complete and compact reference volume to the future events of the world is an excellent introductory text for school, church, or personal use. The first two chapters of the book are given to introduction -- presenting the key concepts and establishing the importance of prophetic study, a detailed and chronological list of eschatological events, and a complete definition of terminology. Following in seven successive chapters, the author considers each of the major eschatological events of the Bible, including: - The Rapture - The Great Tribulation - The Antichrist - Israel in the Tribulation - The Close of the Tribulation - The Millennium -- The author enhances his study with a thorough, up-to-date bibliography and informative footnotes.
