Robert Tanaka:

As a college student exactly feel bored to help reading. If their teacher requested them to go to the library as well as to make summary for some guide, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the professor want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that reading is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this [(Data Quality: Concepts, Methodologies and Techniques)] [Author: Carlo Batini] [Nov-
