As a university student exactly feel bored for you to reading. If their teacher inquired them to go to the library or make summary for some e-book, they are complained. Just minor students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to the library. They go to there but nothing reading seriously. Any students feel that looking at is not important, boring in addition to can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you personally.
