Drawing Vampires: Gothic Creatures of the Night Christopher Hart

From *Dracula* to *Buffy the Vampire Slayer* to *Breaking Dawn*, the undead never get old. So, acclaimed author Chris Hart gives horror fans and aspiring artists something they can really sink their teeth into: step-by-step instruction in drawing their favorite night creatures. All of the most popular bloodsuckers are here in their cold, clammy flesh: Victorian vampires, otherworldly vampires, alluring lady vampires, cool postmodern vampires—as well as vampire hunters and blood-chilling beasts of the vampire kingdom. Less experienced artists needn't worry about biting off more than they can chew because Hart breaks every drawing down into easy-to-digest morsels. The stakes are high, but the *Drawing Vampires* books ensures budding illustrators' efforts won't be in "vein."
