Mi vida querida / Dear Life (Spanish Edition) Alice Munro

Bastan un beso robado, un salto desde un tren en marcha, la sombra de una mujer que me rodea alrededor de una casa, una borrachera de media tarde o las preguntas arriesgadas de una nina para conformar un mundo que se baste a si mismo y cuente la vida entera? Si quien escribe es Alice Munro un simple adjetivo sirve para cruzar las fronteras de la anecdotia y colocarnos en el lugar donde nacen los sentimientos y las emociones. La gran autora canadiense nos sorprende de nuevo con Mi vida querida, una coleccion de cuentos donde vemos a hombres y mujeres obligados a traficar con la vida sin mas recursos que su humanidad. Comienzos, finales, virajes del destino# y de repente, cuando creiamos que el relato llegaria a su obvia conclusion, Munro nos invita a dar otra vuelta de tuerca que cambia el fluir de los acontecimientos y emociona al lector, mostrando hasta que punto esa vida cotidiana que tanto nos cansa puede llegar a ser extraordinaria. Cierran el volumen unas paginas que Munro dedica a su propia vida, unas notas esplendidas donde lo personal se funde con la ficcion, pues, en palabras de la misma autora «la autobiografia vive en la forma, mas que en el contenido.» «La lectura que piden los cuentos de Mi vida querida no es la de la prosa sino la de la poesia# una revelacion de algo que no se agota porque esta en las palabras y un poco mas alla de ellas.» Antonio Munoz Molina
