Ukraine's Euromaidan: Analyses of a Civil Revolution (Soviet and Post-Soviet Politics and Society)

Ukraine's Euromaidan: Analyses of a Civil Revolution (Soviet and Post-Soviet Politics and Society)

The essays in this volume analyze the civil uprising known as Euromaidan that began in central Kyiv in late November 2013, when the Ukrainian president Viktor Yanukovich opted not to sign an Association Agreement with the European Union. Topics covered include the motivations and expectations of protesters, organized crime, nationalism, gender issues, mass media, the Russian language, and the impact of Euromaidan on Ukrainian politics, the EU, Russia, and Belarus. An epilogue looks at the Russian annexation of Crimea and the creation of breakaway republics in the east, leading to full-scale conflict. The goal is to represent a variety of aspects of a mass movement that captivated the world and led to the downfall of the Yanukovich presidency.
