Building a Church Full of Leaders Jeanne Porter King

Imagine what ministry in your church would look like if every member was serving in some way. Now imagine how effective your ministry would be if everyone served with a leader's mind-set. In *Building a Church Full of Leaders*, Dr. Jeanne Porter King sets out to help pastors and ministry leaders move from using traditional methods of moving people from the pews to service, to developing strategic and transformative systems for organizing ministry, recruitment, training, and ongoing development that aim to help church members see themselves not just as volunteers but as servants and co-laborers of ministry. Filled with both practical and spiritual tools for developing an effective leadership model, *Building a Church Full of Leaders* will help you transform the way you shape and deliver ministry at your church-as well as the ones who deliver it.
