La guerra civil española (Spanish Edition) Antony Beevor

El mérito de este libro de Antony Beevor es, precisamente, el de basarse en un serio esfuerzo de documentación que recoge hasta los resultados más recientes de las investigaciones realizadas en España, y fuera de ella, en las últimas décadas, a lo que añade además una serie de informaciones procedentes de documentación hasta ahora desconocida de los archivos soviéticos y alemanes, como las que proceden del diario de guerra privado del coronel Von Richthofen. Una obra de referencia indispensable para el conocimiento de nuestra guerra civil. Sin olvidar que está escrito con la garra de narrador que ha convertido a Antony Beevor en el mejor cronista de los hechos de guerra de nuestro tiempo.
