Perigee Patrick Chiles

Reviewers have called it "a real barn-burner" and "the best darned 'sci-fi' novel I've read in years." Look for the sequel, *FARSIDE*, available now!

Stranded in orbit, with no way home before the air runs out...

A veteran pilot flying a revolutionary spaceplane,

A media mogul on an urgent mission halfway around the world,

And an aerospace legend fighting to save his legacy, in the face of a government that would stand aside to let it be destroyed.

At hypersonic speed, Arthur Hammond's fleet of Clipper spaceplanes has become the premium choice for high-flying travel, placing every corner of the globe within a few hours' reach. But when the line's flagship is marooned in space with its VIP clients, the crew must fight to keep everyone alive while knowing that help may never arrive.

As they struggle with failing life support and increasingly desperate passengers, their colleagues back on Earth scramble to mount an audacious rescue. A contentious mix of old airline hands and NASA veterans, they will face shocking betrayals in a battle to save their friends.

In this race against time, Hammond must confront an onslaught of horrendous press, nitpicking bureaucrats, and dubious financiers – all of them pawns in a larger game, with his business empire as the prize. Amid a spreading web of industrial espionage, he may find the truth to be worse than imagined.

And in space, one man will discover that escape may demand a terrible sacrifice.

From reader reviews:

Sheila Gallagher:

This Perigee book is just not ordinary book, you have it then the world is in your hands. The benefit you will get by reading this book is definitely information inside this book incredible fresh, you will get data which is getting deeper a person read a lot of information you will get. This kind of Perigee without we understand teach the one who reading through it become critical in imagining and analyzing. Don't end up being worry Perigee can bring once you are and not make your handbag space or bookshelves' become full because you can have it with your lovely laptop even cell phone. This Perigee having fine arrangement in word as well as layout, so you will not truly feel uninterested in reading.

Michael Trejo:

Information is provisions for those to get better life, information these days can get by anyone from everywhere. The information can be a know-how or any news even an issue. What people must be consider if those information which is inside the former life are hard to be find than now's taking seriously which one is acceptable to believe or which one the particular resource are convinced. If you receive the unstable resource then you understand it as your main information there will be huge disadvantage for you. All of those possibilities will not happen with you if you take Perigee as the daily resource information.

Esther Belote:

Typically the book Perigee has a lot associated with on it. So when you read this book you can get a lot of advantage. The book was authored by the very famous author. This articles author makes some research prior to write this book. This particular book very easy to read you can find the point easily after looking over this book.

Katherine Clark:

As we know that book is significant thing to add our understanding for everything. By a e-book we can know everything we really wish for. A book is a set of written, printed, illustrated or maybe blank sheet. Every year had been exactly added. This book Perigee was filled concerning science. Spend your spare time to add your knowledge about your scientific research competence. Some people has diverse feel when they reading some sort of book. If you know how big selling point of a book, you can sense enjoy to read a reserve. In the modern era like currently, many ways to get book that you wanted.
