Treasure Island (Adlard Coles Maritime Classics)

Robert Louis Stevenson

Treasure Island (Adlard Coles Maritime Classics) Robert Louis Stevenson

When old drunken sailor Billy Bones dies at the Admiral Benbow Inn, the innkeeper's son, Jim Hawkins, finds a map among the seaman's possessions. The local physician, Doctor Livesey, and the squire, Trelawney, believe the map is of an island where the infamous pirate Captain Flint buried his treasure. They decide to buy a ship to go find it, and Jim decides to join the crew as cabin boy.

They meet the skeptical Captain Smollett and Long John Silver, a one-legged cook with a parrot. Jim soon discovers that Silver is just one of several crewmen who was also part of Captain Flint's crew and that they're planning a mutiny. After they reach the island and the pirates rise up, Jim is separated from the others loyal to Captain Smollett. Wandering around, he learns that they are not alone on the island after all, and that perhaps the treasure has already been found.

Treasure Island has been entertaining readers of all ages for 130 years and is just as witty and as thrilling today as it was when it was first published. This special edition includes the much-loved original text along with new maps and an exclusive foreword.

From reader reviews:

John Carter:

Have you spare time for a day? What do you do when you have much more or little spare time? Yeah, you can choose the suitable activity with regard to spend your time. Any person spent their spare time to take a wander, shopping, or went to the actual Mall. How about open or even read a book eligible Treasure Island (Adlard Coles Maritime Classics)? Maybe it is to be best activity for you. You recognize beside you can spend your time together with your favorite's book, you can smarter than before. Do you agree with it has the opinion or you have some other opinion?

Cora Snyder:

People live in this new morning of lifestyle always make an effort to and must have the free time or they will get wide range of stress from both way of life and work. So , once we ask do people have spare time, we will say absolutely yes. People is human not really a huge robot. Then we question again, what kind of activity do you have when the spare time coming to you actually of course your answer will probably unlimited right. Then ever try this one, reading textbooks. It can be your alternative in spending your spare time, the actual book you have read is Treasure Island (Adlard Coles Maritime Classics).

Trisha McClain:

Do you like reading a book? Confuse to looking for your favorite book? Or your book seemed to be rare? Why so many concern for the book? But any kind of people feel that they enjoy to get reading. Some people likes reading through, not only science book but novel and Treasure Island (Adlard Coles Maritime Classics) as well as others sources were given understanding for you. After you know how the truly great a book, you feel wish to read more and more. Science guide was created for teacher or perhaps students especially. Those textbooks are helping them to bring their knowledge. In various other case, beside science reserve, any other book likes Treasure Island (Adlard Coles Maritime Classics) to make your spare time a lot more colorful. Many types of book like this.

Marc Dean:

What is your hobby? Have you heard this question when you got scholars? We believe that that concern was given by teacher to the students. Many kinds of hobby, Everybody has different hobby. So you know that little person such as reading or as reading become their hobby. You must know that reading is very important in addition to book as to be the issue. Book is important thing to add you knowledge, except your own teacher or lecturer. You see good news or update concerning something by book. Amount types of books that can you go onto be your object. One of them are these claims Treasure Island (Adlard Coles Maritime Classics).
