Web Development with jQuery Richard York

Newly revised and updated resource on jQuery's many features and advantages

Web Development with jQuery offers a major update to the popular *Beginning JavaScript and CSS Development with jQuery* from 2009. More than half of the content is new or updated, and reflects recent innovations with regard to mobile applications, jQuery mobile, and the spectrum of associated plugins.

Readers can expect thorough revisions with expanded coverage of events, CSS, AJAX, animation, and drag and drop. New chapters bring developers up to date on popular features like jQuery UI, navigation, tables, interactive capabilities, and audio and video. The book focuses on the new features of jQuery that improve performance and speed, providing huge advantages over traditional JavaScript.

- Offers new and revised content throughout the book, which focuses on the most recent features and capabilities of jQuery
- Serves as an essential instructional tool for web developers with JavaScript and CSS knowledge who want to learn more
- Advises readers on how to best use jQuery's powerful, easy-to-use features to create dynamic web pages and web applications

This resource provides a deep understanding of jQuery and sets readers up for successful interactions with all it has to offer.

From reader reviews:

Brian Davis:

Here thing why that Web Development with jQuery are different and reliable to be yours. First of all studying a book is good nonetheless it depends in the content than it which is the content is as scrumptious as food or not. Web Development with jQuery giving you information deeper since different ways, you can find any reserve out there but there is no guide that similar with Web Development with jQuery. It gives you thrill studying journey, its open up your own eyes about the thing which happened in the world which is might be can be happened around you. You can bring everywhere like in recreation area, café, or even in your means home by train. In case you are having difficulties in bringing the paper book maybe the form of Web Development with jQuery in e-book can be your choice.

Robert Crawford:

Typically the book Web Development with jQuery will bring one to the new experience of reading any book. The author style to elucidate the idea is very unique. Should you try to find new book to see, this book very acceptable to you. The book Web Development with jQuery is much recommended to you to study. You can also get the e-book from the official web site, so you can easier to read the book.

David Betancourt:

This Web Development with jQuery is great guide for you because the content which is full of information for you who always deal with world and still have to make decision every minute. This particular book reveal it details accurately using great manage word or we can point out no rambling sentences inside it. So if you are read the item hurriedly you can have whole facts in it. Doesn't mean it only will give you straight forward sentences but tricky core information with lovely delivering sentences. Having Web Development with jQuery in your hand like obtaining the world in your arm, data in it is not ridiculous just one. We can say that no guide that offer you world within ten or fifteen tiny right but this publication already do that. So , this is certainly good reading book. Hey there Mr. and Mrs. busy do you still doubt that?

James Mace:

As we know that book is significant thing to add our know-how for everything. By a reserve we can know everything we would like. A book is a list of written, printed, illustrated as well as blank sheet. Every year had been exactly added. This e-book Web Development with jQuery was filled concerning science. Spend your time to add your knowledge about your technology competence. Some people has several feel when they reading a new book. If you know how big good thing about a book, you can feel enjoy to read a publication. In the modern era like at this point, many ways to get book you wanted.
