Who knew a truck stop post card would send Alexis Davis' life spiraling out of control only to discover a supernatural destiny that she never knew existed.

Not wanting to follow in her mother's footsteps, she embarks on a new adventure. Armed with a fresh tattoo and desire for freedom, she winds up in the quaint fishing town of Reedsport, Oregon.

Alex meets two men that awaken something frightening that was buried deep inside her very soul. Soon the lines between her past, present, and future become blurred.

Now Alexis must decide who she can trust. A dark and mysterious coven that believes she is the only one who can restore their power that was lost long ago....or the two men who have hated each other for centuries because of her.
