Granny's Wonderful Chair: From the Story by Frances Browne Frances Browne

Young Snowflower lives with her grandmother, Dame Frostyface, in a little cottage at the edge of a forest. The two are very poor, and own only a cat, two hens, a bed of dried grass, and one good piece of furniture: "a great armchair with wheels on its feet, a black velvet cushion, and many curious carvings of flowers and fawns on its dark oaken back."

One day, Dame Frostyface leaves to visit her aunt, and asks Snowflower to remain behind. She tells the girl that the fancy armchair was made by a cunning fairy, and that it is enchanted. If Snowflower should feel lonely, she should lay her head gently on the cushion of the armchair and say, "Chair of my grandmother, tell me a story. Should Snowflower have the occasion to travel, she should sit in the chair and say, "Chair of my grandmother, take me such a way."

After an interval of solitude, Snowflower's food stores are nearly depleted, so she decides to travel in the armchair along the same path her grandmother took. While journeying, she hears that King Winwealth plans to give a seven day feast to celebrate the birth of his only daughter, Princess Greedalind. Snowflower, who is quite hungry, wishes to share in the feast, and travels to the palace in the enchanted armchair.

Since the disappearance of his brother, Prince Wisewit, King Winwealth has been an unhappy ruler, especially since his marriage to the covetous and disagreeable Queen Wantall and the birth of their unpleasant child. The King's low spirits prompt his favorite page to suggest that Snowflower's chair might provide some diversion, so she and the chair are summoned to the banquet each evening to entertain the king. Each evening, the chair tells a different story until a total of seven stories are told: "The Christmas Cuckoo", "The Lords of the White and Grey Castles", "The Greedy Shepard", "The Story of Fairyfoot", "The Story of Childe Charity", "Sour and Civil", and "The Story of Merryminde". As each consecutive evening passes, the king's depression lifts and Snowflower's situation improves, until all of the stories end happily together.

This wonderful collection of creative and pleasing stories will entertain fairytale enthusiasts of all ages.
