‘The Sleeping lion and the ghost’ is a story about a boy, who thinks t that he knows everything about his life, until he meets someone much older, wiser, and more arrogant: A ghost. This story takes a wise, albeit a comic view of life of a young boy, who is an underachiever, despite of his superiorintelligence. The ghost, like the boy, has also underachieved in life; however, his life is quite over, and he wouldn’t find any peace, unless he learns to help the boy. The plot of the story unveils as these two unlikely friends learn to trust each other and work together as a team, towards a common goal, which would ultimately help them learn about life. Funny, mysterious, and crafty, ‘the sleeping lion and the ghost’ is a page-turner that people of all ages will enjoy and remember for long.
