Take Donald Trump seriously. He's in the race all the way to become president of the United States. The bombast, the buttons he pushes to get people in a distracted nation talking about women's equality and illegal immigration are primed and fired for affect. We're talking about "The Donald" here, at a time in US history when a New York City real estate developer-cum-television celebrity and multi-billionaire business tycoon has saved away decades of collateral attention for his political close-up. He's carefully stockpiled the silver bars of bad press with the gold bars of good. He's let you have a tantalizing glimpse, year after year, on NBC's *The Apprentice* and *Celebrity Apprentice*, of just how smooth an operator a real chief executive can be. We've grown familiar with his style, his larger-than-life ways all witnessed by a crowning shock of bleached-to-cherry blond hair.

Let me be frank with you, he has carefully collected a fortune of leverage made of another currency more subtle than mere money—the currency of notoriety and your familiarity. A sustained attraction for decades fashioned out of love or hate of Trump, works like a carrying fund payment on a property investment. It's time to spend it.

Donald John Trump approaches completing his 70th year on this Earth playing the Game of Life, gaming it well, doing what he loves, and enjoying himself terrifically. A good deal maker and investor has good timing. It's time to cash in. It's the right moment to raise the stakes in his game, thinking bigger than he's ever dreamed before.

Here he comes, and let me tell you, he's primed and ready to negotiate his biggest, most fantastic, most challenging, most stupendous deal yet: convince a majority of the American people to vote for Trump as their next president.

The stars clearly indicate that the subject of this book can take a punch if criticism is fair. Therefore, internationally acclaimed astrologer and prophecy expert, John Hogue, will pull no punches or deny any positive potentials in this unique astrological study of a genius promoter who may be the next president of the United States.

Love him or hate him, people of all opinions pro or con about Donald Trump will find something captivating, surprising and altogether illuminating in this thoroughly entertaining astrological examination.
