Antisemitism: A History

Albert S. Lindemann, Richard S. Levy

Antisemitism: A History Albert S. Lindemann, Richard S. Levy

Antisemitism: A History offers a readable overview of a daunting topic, describing and analyzing the hatred that Jews have faced from ancient times to the present. The essays contained in this volume provide an ideal introduction to the history and nature of antisemitism, stressing readability, balance, and thematic coherence, while trying to gain some distance from the polemics and apologetics that so often cloud the subject.

Chapters have been written by leading scholars in the field and take into account the most important new developments in their areas of expertise. Collectively, the chapters cover the whole history of antisemitism, from the ancient Mediterranean and the pre-Christian era, through the Medieval and Early Modern periods, to the Enlightenment and beyond. The later chapters focus on the history of antisemitism by region, looking at France, the English-speaking world, Russia and the Soviet Union, Eastern Europe, and Nazi Germany, with contributions too on the phenomenon in the Arab world, both before and after the foundation of Israel. Contributors grapple with the use and abuse of the term 'antisemitism', which was first coined in the mid-nineteenth century but which has since gathered a range of obscure connotations and confusingly different definitions, often applied retrospectively to historically distant periods and vastly dissimilar phenomena. Of course, as this book shows, hostility to Jews dates to biblical periods, but the nature of that hostility and the many purposes to which it has been put have varied over time and often been mixed with admiration - a situation which continues in the twenty-first century.

From reader reviews:

Mary Gines:

What do you concentrate on book? It is just for students since they're still students or the item for all people in the world, the actual best subject for that? Just you can be answered for that concern above. Every person has several personality and hobby for each and every other. Don't to be compelled someone or something that they don't want do that. You must know how great as well as important the book Antisemitism: A History. All type of book can you see on many solutions. You can look for the internet solutions or other social media.

Joseph Barnett:

A lot of people always spent their own free time to vacation or go to the outside with them loved ones or their friend. Do you realize? Many a lot of people spent they will free time just watching TV, or playing video games all day long. If you wish to try to find a new activity honestly, that is look different you can read a new book. It is really fun in your case. If you enjoy the book that you read you can spent the entire day to reading a reserve. The book Antisemitism: A History it doesn't matter what good to read. There are a lot of those who recommended this book. These people were enjoying reading this book. In case you did not have enough space bringing this book you can buy the particular e-book. You can m0ore quickly to read this book through your smart phone. The price is not to fund but this book provides high quality.

Many Shirley:

You can spend your free time to learn this book this reserve. This Antisemitism: A History is simple bringing you can read it in the park your car, in the beach, train along with soon. If you did not include much space to bring often the printed book, you can buy typically the e-book. It is make you simpler to read it. You can save typically the book in your smart phone. Therefore there are a lot of benefits that you will get when you buy this book.

Beth Call:

As a pupil exactly feel bored in order to reading. If their teacher inquired them to go to the library in order to make summary for some guide, they are complained. Just very little students that has reading's heart or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring in addition to can't see colorful photos on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Antisemitism: A History can make you experience more interested to read.
