Hard Case IV: A Violent Life (John Harding Book 4) Bernard Lee DeLeo

A Violent Life blends horror, humor, terror, and cage fighting as John Harding's crew of killers battle against a deadly bio weapon attack. They know thousands of lives hang in the balance, and they have no qualms about doing anything it takes to stop it.

The approaching holidays find John Harding's West Coast Murderers' Row crew in the usual Las Vegas double duty mission. John takes on a rising star in the UFC world nicknamed Rattler, because of snake fast striking ability. On the flip side, Denny Strobert turns the crew loose on a lady drug queen, Victoria Lydia Voltaire. She plans to use her drug network to aid and supply a Muslim Brotherhood offshoot setting up terrorist cells across the country.

Thanks to Lynn Montoya, nicknamed Cruella Deville, the crew gets a bonus when she initiates a plan to lure the Muslim Brotherhood gang readying to be dispersed across the nation into a public trap. A successful sting leads out in spiraling directions with terrorist plots involving Alexi Fiialkov's container shipping line. Soon, the crew launches a rescue mission for Fiialkov's granddaughter, and entraps the architect of a weaponized anthrax threat. The kid gloves are off, and the bodies begin piling up.

Add in a taste of what happens when Murderers' Row decides to end an infamous start of the 'Knockout Game' in Oakland, and another excursion to help their 'Hollywood Bounty Hunters' reality show favorites take down a deadly assassin returning to our shores - all happening around the holidays, and a dreaded return visit by the in-laws to the Harding household. It's business and humor as usual, but with a final cage rematch like no other.

This is the 4th book in a 5 book bestselling series. Hard Case V: Blood and Fear released February 14, 2015. FREE for KindleUnlimited members.

"Jack Reacher fans, say hello to John Harding, in a new series you won't put down: He grew up mean, running away from his alcoholic father at the age of 14. With a little help in the form of a new identity, the runaway becomes John Harding. While in special ops overseas, he's recruited by CIA agent Denny Strobert, who sees something besides a knack for languages and combat skills: he knows he's found a killer."
