Love at First Sight (Home Book 4) Cardeno C.

The moment naïve, optimistic Jonathan Doyle glimpses a gorgeous blue-eyed stranger from afar, he believes in love at first sight. Unfortunately, he loses sight of the man before they meet and then spends years desperately trying to find him. Just as he is about to give up, Jonathan gets a break and finally encounters David Miller face to face.

Successful, confident David turns Jonathan's previously lonely life into a fairy tale, giving him more than he ever imagined. But the years spent searching were hard on Jonathan, and he's terrified his young son and scandalous past will destroy his blossoming relationship. For David and Jonathan to build a future together, they'll both have to dig deep: David for the courage to share himself in a way he's never considered and Jonathan for the strength to tell the truth.
