The Game of Life Mr. D Hunter

This is the story of two men whose lives crossed in the gang infested city. Chicago. Dave, back in jail, saw Treach as a way out. Treach saw Dave as another pawn in his ambiguous plan to use religion as a front for his criminal enterprise. Caught in a web of lies, his world starts falling apart. Unfortunately for Dave, his decision causes a chain reaction involving everyone that he comes in contact with. Even Maria, Daves' girlfriend, becomes another pawn for Treach, who coldly used her and then abandoned her to her fate. The two not only become interchangeable, but unrecognizable along the way. Dave soon learns that his fate is held in one man's hands. The same man that he has grown to loathe. By the time reality dawns on him, its too late; fate has already determined the outcome. In a sphere where love cannot overcome hate, Dave seemingly gained the world, but somehow lost his soul in the process. And so the story begins?
