B. B. Warfield is well known as one of America's leading theologians, perhaps second only to Jonathan Edwards. But until now the character of his own Christian experience and his understanding of the Christian life have remained unexplored. Fred Zaspel unpacks these for us here, and what we find is that Warfield's profound theological mind is matched only by his passionate heart for Christ. From Warfield we learn truly what it is to *live in light of the gospel*.
