Have you got the concept of marriage all figured out? Getting married and living happily ever after are considered to be the ultimate goals of couples who have decided to spend their lives together. But the reality of marriage is something that still surprises most people, even those who have been married for a long time. There are happy times, fulfilling episodes and really romantic moments, but there is more to keeping a marriage intact and stable than these. There are conflicts, challenges, arguments and sacrifices that need to be experienced to establish a successful married life. If you are looking for marital stability through overcoming obstacles, spicing up your sex life, creating more intimate moments and staying happily married, then this is definitely the book for you. Inside You Will Learn: • What it's like to be newlyweds • The different things that newlyweds have to go through during their first year together • How it is like to be married for a long time • The unspoken rules of marriage • How to resolve conflicts as a couple • How to retrace your steps and find practical solutions to marital problems and challenges • The right ways to increase intimacy and spice up sex life • What to expect when people get married • And so much more Being married offers lessons that will make you better as individuals and as a couple. Now, once you have set your expectations properly, you will no longer wonder or worry about how to make your relationship last.
