Nefertiti: Reina de Egipto. Hija de la eternidad. (Spanish Edition) Michelle Moran

La poderosa familia de Nefertiti siempre ha engendrado esposas para los gobernantes de Egipto durante siglos y ella está ahora destinada a casarse con Amenhotep, el faraón más joven e inestable. Ambiciosa, carismática y bella, Nefertiti es adorada por las masas, se convierte en la #princesa del pueblo#. Sin embargo, como no puede gestar un heredero, la posición de su familia en la corte comienza a peligrar. Al mismo tiempo, se da cuenta de que ha subestimado el descontento que el pueblo egipcio tiene con su marido, que se deshizo de los antiguos dioses por decreto para convertir Egipto en monoteísta. Los sacerdotes y los militares conspiran contra él. La única persona que pone a Nefertiti sobre aviso es Mut-Najmat, su hermana menor. Reflexiva y observadora, Mut-Najmat prefiere, desde siempre, una vida simple y tranquila, alejada de las intrigas de la corte. Y quiere compartir esa vida con el hombre al que ama. Pero Nefertiti decide que su hermana tiene que casarse por conveniencia política y no por amor, al igual que ella. Para lograr su independencia, Mut-Najmat tendrá que desafiar a su hermana, la mujer más poderosa de Egipto, y abrazar así la vida que sueña. Nefertiti es uno de los personajes más amados de la Historia. Su poderosa y atrayente figura como gobernante de Egipto la catapultó a la fama universal y a las ambiciones y sueños de arqueólogos, historiadores y escritores. Un capítulo fascinante en la cultura egipcia retratado con maestría en esta fascinante novela.
