The Law of Employment Discrimination, Cases and Materials (University Casebook Series) Joel Friedman

This casebook covers all major aspects of employment discrimination law, including benchmark legislative, administrative, and judicial developments. Due in part to frequent updates and revisions, it has received accolades as one of the most comprehensive and frequently updated texts on the market. The 10th Edition continues this tradition by seamlessly incorporating all major legislative and judicial developments through March 2015, accompanied by textual notes and questions that explore issues answered or left unanswered by this jurisprudence.
