The Monday Morning Church: Out of the Sanctuary and Into the Streets Jerry Cook

Fired by the passion to take the message of the gospel beyond the walls of the church, Jerry Cook challenges Christians to reconsider their role in society. He emphasizes that the church on Monday operates in the experience of the non believer where the greatest impact for God can occur. He encourages Christians to consider themselves strategically placed by Jesus Christ to go to the non believer rather than having them come to God. Drawing from the book of Ephesians, he challenges traditional thinking of how ministry occurs and what the church should be while presenting an exciting new paradigm of living for Christ.
