Big Bosoms and Square Jaws: The Biography of Russ Meyer, King of the Sex Film Jimmy McDonough

Jimmy McDonough's biography of Neil Young, *Shakey* was hailed as 'one of the most penetrative studies of a rock icon ever written'. bringing his anecdote-and-action-packed biographical style to another renegade of popular culture, McDonough offers a wild portrait of Russ Meyer, the director, writer, producer and commando movie-making force behind such sexploitation classics as *Faster, Pussycat! Kill! Kill!* and *Beyond the Valley of the Dolls*. Beginning in 1959, this former combat photographer put his personal sexual obsessions (mostly involving women with huge breasts) on screen, creating a body of work that has influenced a legion of rock bands, filmmakers and even the occasional feminist. Meyer viewed male-female relations in the same way as he viewed World War II - as a fight to the death - and his bombastic, frequently hilarious, sex-and-violence-drenched pictures wowed mainstream movie audiences from drive-ins to arthouses. Rich with wicked observations and memories from Meyer's friends, lovers, leading ladies, fellow filmmakers and fans, *Big Bosoms and Square Jaws* tells the full story of Meyer's life and career: his volatile marriages, his battles with censorship and his clashes with the Hollywood establishment. What is the key to profitable movie-making, according to Meyer? 'Big bosoms and square jaws.' This is a story of greed, lust and the American way. It will thrill film fans and appeal to anyone who likes a good yard with plenty of sex, booze and rock'n'roll.
