## Fingerprints of Fire, Footprints of Peace: A Spiritual Manifesto from a Jesus Perspective Noel Moules

In this vibrant and radical book, Noel Moules offers a compelling vision of identity, community, life and faith from a Jesus perspective. By sketching a bold and colourful manifesto that teems with graciously passionate provocation, the author explores creativity, wisdom, spiritual growth, truth, ecology, values, justice, faith-dialogue and activism, all wrapped in the thrilling encompassing vision of shalom.

Presenting a rooted and rugged spirituality that is accessible to all readers, this book asks big questions and dares to offer answers that pulsate with beauty, energy and grace. It is a humble invitation to join a thrilling conversation and to continue to explore together on the journey into the wonderful mystery of life.

I predict that this book will become an essential handbook for spiritual renewal and transformative action ... Noel gives us hope just when we need it most. Stuart Masters – Woodrooke Quaker Study Centre UK  
Work for peace, Noel tells us, is about getting our hands dirty, paying a price, changing the world in the here and now. Pat Gaffney – General Secretary of Pax Christi UK, Nobel Peace Prize nominee 2005
